1. On that glad day when Christ was born, In manger laid like one for-lorn,
2. The glad warm sun on that bright morn, Shone on the in - fant hum - bly born,
3. There's room for pride, there's room for gold, There's room for all that earth can hold,
4. O sin - sick soul, cast all a - way, Make room for Je - sus now, to - day,

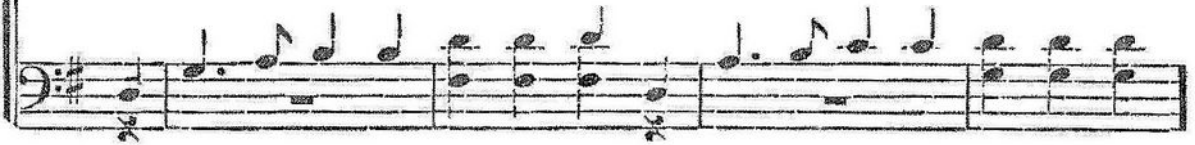

He lay be-cause there was with-in, No room for Je - sus at the inn.  
 Who came to save us from our sin, But found no room to en - ter in.  
 There's room for plea-sure, room for sin, But none for Je - sus to come in.  
 And keep Him there your heart with-in, Make room for Je - sus to come in.

CHORUS.

Make room for Je - sus, He's a Friend, Who will be faith-ful to the end,

Who came that you might heav-en win, Make room for Je - sus to come in.
